Varietal Wine

Conquesta Chardonnay

Our experience in winemaking, based on several generations, has allowed us to create a vibrant wine made with the international variety Chardonnay. A varietal wine full of aromatic richness and intensity, with flavours of citrus and melon, underlying the purity of this classic grape variety.

Region

The largest vineyard in the world is located on the central plateau of the Iberian Peninsula. Varietal wines are made with one type of grape. Airen and Tempranillo are the most characteristic grapes from this area, while other non-native grape varieties such as Cabernet Sauvignon, Syrah, Merlot, Viura, Sauvignon Blanc and Chardonnay have excellent results due to the climate and terrain in this region.

Technical Information

The grapes are harvested at their optimum ripening moment to obtain a balanced wine with the exact levels of acidity and sugar. The grapes are subjected to a period of cold maceration of about 6 hours. Fermentation takes place at a controlled temperature of 14-16°C in stainless steel tanks for 12-15 days. The process continues for a short period of aging on fine lees, giving rise to an elegant, fresh and fruity wine.
