Tasting Notes

Ruby colour with intense aromas dominated by red fruits such as raspberry and strawberry, accompanied by a touch of black plum. Soft spicy notes follow, characteristic of the Cabernet Sauvignon and Tempranillo varieties. Smooth on the palate, balanced and fresh.

Food Pairing

Perfect with salads, roasted vegetables, pasta dishes or white meats.

Technical Information

During the harvest, specific vineyards and grapes with naturally low alcohol content are selected. For its production, the alcohol is extracted through a complex process to avoid the loss of aromatic compounds characteristic of the original wine and the variety from which it comes. The quality and organoleptic properties of the product are preserved, resulting in a quality, expressive, fresh wine with intense aromas.
